## **Announcement of an extension of time for proposing a candidate for the election of the representative body for disabled employees on 9<sup>th</sup> May 2016**

The election board has not received enough proposals of candidates for the election of the representative body for disabled employees since the election announcement on 24<sup>th</sup> March 2016.

We ask all eligible voters to present written proposals for candidates during a grace period of one week, but no later than **17<sup>th</sup> April 2016**. In matters of content and form, the same rules as in the election announcement of 24<sup>th</sup> March 2016 apply.

If no appropriate number of proposals for candidates for the election of the representative body for disabled employees is presented within the extension of time, the mandatory number of representatives for disabled employees, that have to be elected, is reduced to the number of proposals for candidates.
