Signs of illness: can I go to university?

Important! If additional signs of illness appear while you are at the CAU, then:

If you have acute signs of illness, please contact your local GP or the on-call hotline under 116 117 (24/7) to quickly establish whether you have the coronavirus. If you suspect you might have the virus, do not go directly to the doctor or A&E in person. The point is to get back home without infecting anyone else.
