

Reporting trail for **students** with lab-confirmed coronavirus infections

! Please act responsibly. Inform your private contacts and comply with the isolation orders.

Date: 17.02.2022

Please have a look at your faculty's websites to find the contacts at the Dean's Offices. You may also find additional information about the procedure there, too. If you are unable to quickly locate the responsible contact person, or it is outside of the office hours, please call the CAU's main gate at 0431/880-2222 which can immediately arrange contact to the crisis management team.

Lecturers or other people at the university who have been informed by students about lab-confirmed cases of infection or contact with infected people should please immediately contact the CAU's crisis management team at corona@uni-kiel.de.
