**Job advertisement**

The Department of Mathematics, Christian-Albrechts-Universität zu Kiel, is seeking to recruit a

**research assistant**

at the earliest availability of the candidate, for an initial period of 3 years. The regular weekly working time is half of a full-time job (currently 19.35 hours). The salary is based on pay group 13 TV-L, provided that the requirements of the collective agreement are met. The teaching obligation is 2 teaching hours (LVS).

**Hiring Requirements:**

A master's degree in mathematics, biomathematics, bioinformatics, computer science or comparable is required, with solid knowledge in the field of discrete mathematics, dynamical systems or modeling of biological networks. Programming skills are desirable. The candidate should be interested in biological applications and should enjoy interdisciplinary research. In addition, his/her English skills should be at least at level B2.

**Responsibilities:**

Working towards a Doctoral degree on a topic related to the development of discrete mathematical methods for modeling and analyzing biological networks; teaching at the Department of Mathematics; contributions to the supervision of theses as well as administrative support.

The University strives to increase the proportion of female scientists in research and teaching and therefore strongly encourages suitably qualified women to apply. Women will be given priority in the event of equal suitability and qualifications.

Christian-Albrechts-Universität zu Kiel is committed to the employment of people with disabilities: Applications from disabled persons and their equals will be given preferential consideration if they are suitable.

We expressly welcome applications from people with a migration background.

Applications with the usual documents (cover letter, CV, certificates) should be sent by email integrated in one PDF-document until **11.08.2024** to: **personal@math.uni-kiel.de**

or to

**Geschäftsführenden Direktor des**

**Mathematischen Seminars**

**der Christian-Albrechts-Universität zu Kiel**

**Heinrich-Hecht-Platz 6**

**24118 Kiel**

Please note that all documents will be destroyed after completion of the recruitment process. For applications in paper form, please send copies without application folders, as the application documents will not be returned. We expressly ask to refrain from submitting photographs/application photos.

For more information please contact **Prof. Dr. Heike Siebert, Phone 0431-880-2780 or Email: hsiebert@math.uni-kiel.de**.
